Hose reel

Design type	Automatic hose reel for easy wall mounting impact-resistant, solid and closed polypropylene housing with lightweight, durable and oil-resistant hose, including Supply hose
Color	black
Connection	G1/4" Male thread
Temperature range	-15...+60°C
Operating pressure	max. 10bar
Mounting type	Wall mounting
Swivel range	180°
Scope of delivery	Hose reel, Compressed air hose 10 or rather 20m, Supply hose 1,5 or rather 2m, Wall bracket

Hose outside diameter [mm]	Hose inner diameter [mm]	Hose length [m]	Hose core	Medium	Type
13	8	10 + 1,5	PVC	Compressed air	PV-13/8-BK-0010-RM14
14,5	9,5	20 + 2	Polyurethane (PU)	Compressed air and Liquids	PU-14.5/9.5-BK-0020-RM14
